

Dockets Management Branch (HFA-305)

Docket No. 98N-1265

Food and Drug Administration APR 14 10:01

5600 Fishers Lane

Rockville, MD. 20857

RECEIVED  
FBI  
MAY 7

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

As a family Nurse Practitioner,  
as a midwife, as a  
woman I feel all  
women have the right  
to have access to all  
forms of hormones -  
especially natural.
